~THE KNIGHTLY NEWS~

February 2015

KIM

At Kellogg Middle School, we are fortunate to provide our students with an exceptional learning experience. Through Kids In Medicine, on **Thursday, February 12 and Friday, February 13, 2015**, our students will dissect a unpreserved pig heart. Five class periods need 10 volunteers each (Period 2 needs only 5 volunteers). Last year, there was an amazing volunteer turnout, so spots will fill up fast! Sign up for your child's class for a great shared experience!

Here is where help is still needed:

Thursday, February 12th

Period 2: 2 adults needed
Period 4: 5 adults needed
Period 6: 5 adults needed

Friday, February 13th

Period 1: 3 adults needed

~~Period 1: 3 adults needed~~
~~Period 2: 3 adults needed~~
Period 3: 3 adults needed
Period 5: Full! Thank you!

Please click on the link below to volunteer to assist students in dissecting the pig hearts, providing general help with the kids during the lab, and if the need arises, escort a student to the nurse's office if they feel a little faint during the dissection.

We're using VolunteerSpot. Here's how it works in 3 easy steps:

- 1) Click this link to see our Sign-Up on volunteerSpot: <http://vols.pt/sjZw2w>
- 2) Review the options listed and choose the spot(s) you like.
- 3) Sign up! It's Easy - you will NOT need to register an account or keep a password on VolunteerSpot.

(Note: VolunteerSpot does not share your email address with anyone. If you prefer not to use your email address, please contact me and I can sign you up manually.)
