WATCH DOGS

We are excited to say that the WATCH DOGS program is thriving at Kellogg. For those who aren't familiar yet with the name, WATCH DOGS is a program with a very simple mission - to invite dads to come spend time at their child's school. Right now we have dads primarily visiting during students' lunch time (12:00 - 1:15). Our dads visit with other students and provide a great extra set of eyes to increase our adult supervision at lunch time. We have just under twenty dads right now who have volunteered some time or who plan to soon, and we are excited to invite even more.

If you are interested in participating, please contact the Assistant Principal, Casey Campbell, at casey.campbell@shorelineschools.org

Students and Staff!

The Holiday Baskets Food Drive & Teen Gift Team would like to thank the Kellogg staff for housing our event once again. The event went smoothly and we were able to help over 500 families enjoy the Holiday Season, with gifts and food for their children, while they were out of school over Winter Break. We would also like to thank those students who volunteered at the event. Helping out in one's community is a great way to make a change close to home.
