## Shoreline Community Film: "Resilience" screens Sunday

### Documentary examines brain science to help kids overcome family struggles

The 2016 film, directed by James Redford (son of Robert Redford) highlights the ways pediatricians, therapists, educators and communities are using cutting-edge brain science to disrupt cycles of violence, addiction and disease.

The film shows that outside efforts of teachers, therapists and social workers can help to break the cycle. Whether you're a parent, teacher or neighbor, you help create a positive, caring and nurturing environment.

This Shoreline Community Film will be shown at **4 p.m. March 12** at the Shoreline Center auditorium, 18560 1st Ave N.E., and will be followed by a panel discussion.

Tickets are \$5 for adults (students are free) and are available in advance at [Brown Paper Tickets](#). Child care is also available by reservation.

## Thank you, Kellogg community!

Shoreline School District voters overwhelmingly approved the bond measure on the Feb. 14 ballot.

The bond needed a 60% super majority to pass and ended up with a **74 percent approval rate**.

The bond is a \$250 million package to rebuild Kellogg and Einstein middle schools, as well as Parkwood Elementary School, and to consolidate preschool programs into one Early Learning Center.

Plans call for the new Early Learning Center to open in fall

**Yarn, skewers, floral tape and floral sticks** (Ms. Ruis, Spanish)

If you can supply any of these items, bring them by the main office or send them with your child.

## Box Tops Challenge

Let's raise \$2,000 for kids!

Save your box tops and Ballinger Thriftway receipts.

**Every 10 box tops generates \$1 for our school. So does every \$100 worth of Thriftway receipts.**

If every Kellogg student and staff family donated 10 box tops, that's \$700 from box tops alone!

Keep saving this winter and spring and contribute toward the \$2,000 goal!
