HOST FAMILIES NEEDED

The PTSA will be welcoming 32 Japanese students to our school on 11/4 and are seeking 16 host families. Each family will host 2 students, will meet them at Kellogg on 11/4, spend the weekend together and drop them off on Monday 11/7. Families can choose to receive a stipend of \$180 or donate that back to the PTSA. If you are interested, please fill out this [FORM](#) on our website by September 30th

Host Japanese Exchange Students!

Nov 4th (Fri) – Nov 7th (Mon) 2022

3 night homestay - sponsored by Kellogg PTSA

Open your hearts and your homes to 2 students from Japan!

Host families are needed for 32 Japanese middle school students (10 Boys and 22 Girls) from Shukutoku Sugamo Middle School who will be visiting Kellogg MS

Experience another culture without leaving home!

Program Overview

- Shukutoku Sugamo Junior High School in Tokyo takes all of their 8th graders (about 130 !) to Seattle for their annual school trip
- Four local schools act as host schools to welcome students
- Sugamo JHS students arrive 11/2 (Wed) and go sightseeing in Seattle, stay at a hotel, then go to each local school on 11/4 (Fri) for activities with the students and to meet host families. Host families and students enjoy the weekend together and students are dropped off on Monday morning at school.
- This is a double placement program (2 students per family)

Host Families Provide

- A warm and supportive atmosphere – like part of the family!
 - Room and board
- (NOTE: Students can share a room with a host sibling of the same gender, but must have a separate bed, air mattresses are OK !)
- Transportation – pick up students on Friday afternoon and drop them off on Monday morning

Host Families Receive

- The opportunity to make lasting friendships and learn about another culture
- An international experience - without ever leaving home!
- The chance to make a difference in an exchange student's life
- Comprehensive support and assistance from program coordinators throughout the program.
- \$30 per student, per night to help offset the costs of hosting. This stipend can also be donated to PTSA !

For more information about hosting or for an application form, please contact:
