PRESIDENT MESSAGE

Hello Kellogg Families!

If you've read this far. Thank you! I'll make it quick with the top 3 things on my mind: 1. Trivia Night & Silent Auction: It's 5 days until our Auction tickets go on sale! Our theme this year is Viva Las Vegas and will be in the Shorecrest Commons on April 1st. Watch our [website](#) for more details when tickets go on sale next Wednesday. It's never too late to get involved; planning committee, sponsor, or donate a fun item to make it rain for our amazing Kellogg teachers and students.

2. Lost & Found: I spent this week volunteering at Kellogg during lunch both to be present during a very energetic time of the day and to find the owners of a very large Lost & Found pile. There were several successes reuniting items with their owners, but not all was claimed. These items are donated either to the Goodwill or The Works at the end of each month. I know I've gotten out of the habit of putting my student's name on things, but it's still needed and gets lost items returned quickly.

3. Volunteer at the school during school: I'll be honest that the first couple of days in the lunch room felt a bit awkward, but as I got to know students and they became familiar with me, I have found the week very rewarding. If you have time during your lunchtime to come throw a football with students, play Uno, anything to engage and be present in their world, it would be appreciated. Please see our website for sign-up, and contact Kellogg to make sure your background check is current (required for all school visitation during school hours).

3.5 Also, our teachers are asking for more pencil donations and additional items for Sword Awards (the weekly drawing for students representing Kellogg valor). Please visit: [amazon wishlist](#).

UPCOMING DATES:

2/15: Trivia Night tickets go on sale. [TICKET LINK](#)

3/2: Next PTSA General Meeting, KMS Commons 7-8:30pm

Navigating screen time is often a source of constant friction between parents and young people. It's easy to feel overwhelmed and under-resourced when trying to keep our kids safe and healthy while still giving them access to information and opportunities online. In this session, Michelle Brode will help us understand screen time in the context of adolescent development, share ways that we can optimize benefits and minimize risk, and explore strategies and resources to help your family develop a workable approach to this challenging reality.

**This event is open to all Shoreline school district families and caregivers. It is sponsored by the Shoreline PTA Council Mental Health Committee and Sound Supports. This will be an in person event and will be recorded
